

FORDIA®

TRUST THE
HERO™
IN YOU.

True to the **HERO™ series**, this matrix offers the same excellent penetration/lifespan ratio, especially in ground rated 4 to 6 on the Moh's scale. Its unique composition includes larger synthetic diamonds for optimal penetration in a variety of grounds.

- Works on soft to hard ground
- Features an excellent penetration/lifespan ratio
- 13 mm standard diamond height, also available in **Vulcan 16 mm** and **26 mm**
